

Christopher Bryan Cone, Th.D., Ph.D.

ccone@tyndale.edu

RESEARCH AND EXPERTISE

Philosophy of Religion

Areas of emphasis include comparative religion, paradigms of philosophy of religion, worldview, and apologetics with particular focus on theological grounding of epistemology, ethics, and environmental ethics.

Biblical Hermeneutics and Exegesis

Areas of emphasis include hermeneutic theory - historical, protestant, reformed, and dispensational methods, as well as exegesis of Biblical texts.

Systematic Theology

Areas of emphasis include historical systems of theology, including theology proper, Christology, pneumatology, bibliology, angelology, anthropology, hamartiology, soteriology, Israelology, ecclesiology, and eschatology.
